Key takeaways

- 
- 01 Your “why” is your strongest conversion tool.
 - 02 Authenticity works when it has boundaries.
 - 03 Repetition isn't annoying — it's necessary!
 - 04 Show, don't tell

Your call to action

To put what you learned into action:

1. Define your “why”. Try filling in the blank: “My Patreon exists because _____.”
2. Share your why outside of Patreon, somewhere your audience already pays attention, **and** pair it with a teaser of members-only content.
3. Bonus: Add a promotional discount.
